☞HOW TO GET THERE

From Yokosuka Chuo:

1. Go to YOKOSUKA CHUO 横須賀中央 Station and purchase a ¥770 transfer ticket for EBISU 恵比寿, which is on JR YAMANOTE ＪＲ 山手線 Line in Tokyo. For a child's ticket ¥390.

2. Go to track #2 and board a GREEN or RED KANJI train bound for SHINAGAWA 品川.

3. At SHINAGAWA, transfer to JR YAMANOTE Line. Insert your ticket into the automatic wicket (or show to the clerk) as you pass through the gate leading to JR lines (bilingual signs show the way), but do not give it up, it will come back up from the wicket. Go up or down the stairs to track #2 and take JR YAMANOTE line train 4 stops to EBISU.

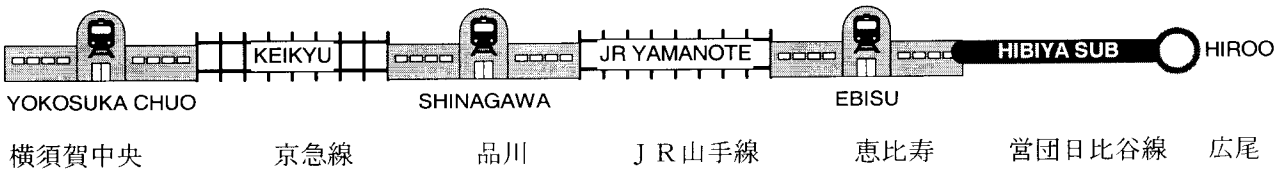
4. At EBISU, exit out from West Exit 西口. Turn in your ticket as you pass through the exit wicket. You will not get your ticket back.

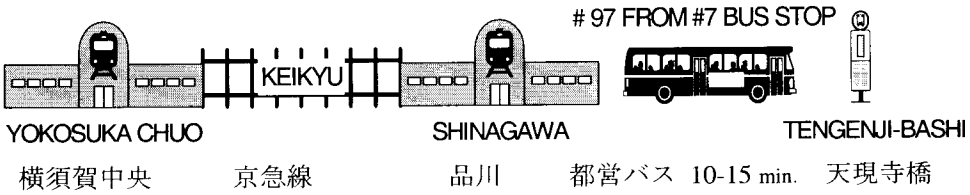
5. The subway entrance is located just outside EBISU station (West exit), to the right. Take HIBIYA 日比谷線 Subway Line. Purchase the lowest price subway ticket and ride one stop to HIROO 広尾. At HIROO, get off train and take Exit 1. Exit left, then down the street to the large overpass crosswalk. Make a left, the New Sanno is on the left around the bend from the overpass crosswalk. It is a large (approx. 4 floors) dark brown building).

From Ikego:

1. Go to JIMMUJI 神武寺 Station and purchase a ¥700 transfer ticket for EBISU 恵比寿, which is on the JR YAMANOTE 山の手線 Line (see instruction by the ticketing machine or ask at the window). Take a train to KANAZAWA BUNKO 金沢文庫, and then transfer to a GREEN or RED KANJI train to SHINAGAWA 品川 station.

2. Get off at SHINAGAWA station and go through ticketing wicket. Make sure to pick up the ticket from the wicket. **Continue with above #3.**





▲Another route you might consider gets you to the hotel by bus. At SHINAGAWA Station, go down the stairs near the front of the train. As you exit the station, look ahead for a pedestrian overpass. Cross the overpass and go to the bus stops in front of the Hotel Pacific. Take bus #97 from bus stop #7. The ride will cost ¥200 (exact change needed) and takes about 10 - 15 minutes. Get off at the TENGENJI-BASHI 天現寺橋 bus stop. Look back in the direction from which the bus came and you will see the New Sanno across the street. (To be safe, use the pedestrian overpass at the corner to cross the street.)
